

IN THE STATE COURT OF DEKALB COUNTY  
STATE OF GEORGIA

STANDING ORDER ENTERED FOR THE PURPOSE OF PROVIDING FOR THE  
ACCURATE MAINTENANCE OF THE COURT'S RECORD

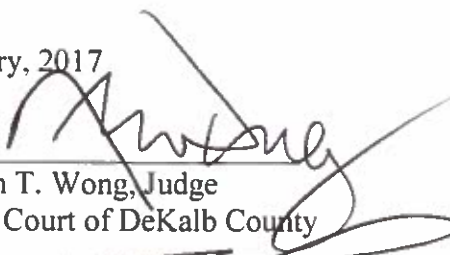

This Order is entered in the interests of judicial efficiency. In electronic filing as it currently operates, the title of a pleading, as selected by a filer in EfileGA, transfers from EfileGA into Odyssey, the Court's case management system. The Court is unable to change the docket entry created by such filing. The electronic images of the pleadings are difficult to find on the electronic docket where a pleading is mislabeled in Odyssey.

In light of the foregoing, this Court has instructed the Clerk of the State Court of DeKalb County to reject any filing that is incorrectly labeled so as to create an inaccurate record of entry on the court's docket, and to require such filing to be re-submitted. The Clerk is further directed to ensure that filers have the ability to re-submit a filing and secure the same file date as would have been applied if the previously rejected filing had been accepted. If filings are time sensitive and the file date is significant to the filing, then filers shall contact the Clerk's office at 404-371-2261.
